

GOOD FAITH DEPOSITS – www.boshipoodles.com

We have a policy which confirms the buyer's commitment to buying a puppy.

1. The deposit is non-refundable unless we do not have a puppy of the sex and color and from the litter you indicated at the time you made the deposit. This means that if you suddenly change your mind and decide you do not want a dog, and a puppy of your preference is available, you will forfeit your deposit. If we don't have a puppy of the color, sex, and litter you want, we will promptly refund your deposit.
2. If there is not a puppy of the color and sex from the litter you indicated available, you may ask for your deposit back, change the color, sex or litter desired, or hold the deposit for a planned litter.
3. We encourage buyers to visit our home before making a deposit. This enables you to meet the poodle relatives and see the environment in which the puppies are whelped and reared.
4. You don't have to make a deposit. If you feel that putting down a deposit is not right for you, you can call back when the puppies are almost ready to leave (at seven or eight weeks) and ask if any are still available.
5. A separate agreement, signed at the time you pay in full and pick up your puppy, includes a 72-hour health guarantee and a 2-year genetic health guarantee.
